Another Championship: Boys a Cappella Does It Again

The DeKalb High School a Cappella Choir has done it again. On Mar. 10, the boys singing group won first place in the International Championship of High School a Cappella Midwest Regional, sponsored by Varsity Vocals, at Naperville North High School. The group qualified to compete in the National Finals on April 21 at Lincoln Center in New York City. Sophomore Drew Taylor also won Best Vocal Percussion.

The trip is especially welcome to the DHS a Cappella Choir because their planned trip to Disney World to compete in a national competition was cancelled by the host organization. According to Choir Director Travis Erikson, the group has received community contributions to defray the costs of the Florida trip. All funds which have been donated will now be applied to the New York trip.

While in New York, the boys plan to tour Ground Zero, the Statue of Liberty, Carnegie Hall, and the Empire State Building.
