Eco Buds Donate to DeKalb Area Food Pantry

The DeKalb High School Eco Buds club collected canned goods and non-perishable food on Halloween. Advisor Ann Shult and two Eco Bud members deliver the food to the DeKalb Area Food Pantry at the Salvation Army on Nov. 7. The 10-member club also held a bake sale this year and plan to donate money raised to Heifer International, a not-for-profit organization dedicated to ending hunger worldwide.
