

Intramurals 2008-2009

Intramurals is a sports program that allows all kids a chance to try out different sports and activities and see what they like without needing a sports physical. Students are welcome to come to activities they would like to participate in and skip those they prefer not to join in on.

The cost for intramurals is \$75 for the whole year, or \$37.50 for half the year. A sports permission slip and money need to be turned in to the office before you may begin. Fee waivers are available for students receiving free or reduced lunches.

Fees include the cost of bowling, students will need to pay \$1 each time we bowl for the cost of shoes.
